COME WITH ME

A travel series that takes viewers along on my actual trips, sharing the experience as I encounter it and the details that make a real difference in planning and enjoying a destination. From what to expect before arriving to the things travelers may not know until they get there, Come With Me is designed to make travel content inspiring and genuinely useful.

HOW I TELL THE STORY

SHORT-FORM SOCIAL

TikTok and Instagram storytelling built around the destination, property experience, dining, activities and discovery.

STORIES + DIRECT LINKS

Supporting Stories create a clear path from travel inspiration to the resort or destination partner.

EVERGREEN EDITORIAL

Original DanaVento.com travel coverage, photography and backlinks that remain discoverable beyond the social campaign.

CURACAO EDITORIAL AUTHORITY

Established Curacao coverage includes Willemstad walking, destination experiences, Instagram locations and private transportation. Select work was featured by Curacao Chronicle. Existing evergreen articles can support contextually relevant partner mentions and anchor links, while new property coverage can connect into the existing destination library.
